Valedictorian

What it took to be the best in my class:

I was surprised when they said I was valedictorian. I didn't expect it. I just did what was required of me. I never missed class, did my homework, paid attention and studied hard.

On starting college at FIU:

Starting college is exciting. I get to make new friends, go to new places, try new stuff.

Where I see myself in five years:

I see myself working on Wall Street as an investor and driving a nice car.

My dream:

My dream would be to live in a big house, drive a Ferrari, go to work when I want to and have no financial concerns.
